WELCOME BACK!!!

LAST GAME - Sawtry Colts Girls U10 vs Sawtry Colts Girls U11

Our first ever game as the U10 Girls was played against the Sawtry Colts U11 Girls team in which we fared very well and after a confused first half, found much better form in the second half.

Although we were the losers according to the score line, I think we were all winners. This was the first ever game for many girls against a team that were a year older and are now starting out in their 3rd season together, meaning they were well organised. Well done to you all for the spirit shown in a slightly one sided game.

I hope you enjoyed the game and next season we will face competition from girls the same age as us and they will make more suitable oppositions.

Team – Nicole Stefanelli, Amy Martin, Louise Holland, Calista Brix-Craig, Sophie Godward, Katherine Hinton, Olivia Gracy, Megan Purnell, Ellie Bishop, Hannah Ainsworth

THE UPCOMING SEASON

We have now received confirmation from Cambridgeshire FA that we have been accepted in the S-Tech league for the 2007/2008 season.

Six other teams have registered for the league and we will play each team home and away over the coming weeks.

REFEREE REQUIRED – ATTRACTIVE PACKAGE (INC WHISTLE & STOPWATCH)

When the season starts we will require a volunteer to be the match referee at the home fixtures. If anybody would be kind enough to agree to carry out this important duty then please do let me or Brian Craig know.

It is very easy, and only really requires you to watch the game and guide the girls when throw-ins, corners and goal kick are awarded.

Girls, if you would like your mum or dad to do this, please do keep on at them for me!!

TRAINING

Training continues at Greenfields every Thursday at 6.30pm to 7.30pm until further notice.
